

HELICOPTER POWER TROWEL

SAFETY/RISK/HAZARD ASSESSMENT

PLANT INFORMATION

NHG Ref/Part No.

HELTRO

Plant Name:

Helicopter - Power Trowel

Potential Noise Level in Db:

95db to less than 100db

Required hearing protection class: 3

Operator Competency:

Plant Licence Not Required

It is the hirer's responsibility to ensure that all operators are competent.

Please refer to the User Guide and Operators Manual for detailed Operating Instructions

Protective equipment must be worn when operating this machine

RISK ASSESSMENT INFORMATION

Potential Hazard(s)

Injury from contact with moving parts

Risk Level High

Control Measures Keep body parts and loose clothing clear of moving parts.
Keep moving parts away from objects protruding from the floor or surrounds.
Contact with these objects could cause damage to machine and/or result in projectiles which may cause serious injury.

Explosion or fire from fuel vapours

Risk Level Medium

Control Measures Do not operate power tools in explosive atmospheres, such as in the presence of flammable liquids, gases or dust.

Injury or ill health due to exposure to dust

Risk Level Medium

Control Measures Do not operate in confined space. Use in well ventilated area, preferably with fume extraction ventilation. Wear appropriate respiratory protection. Avoid breathing or coming into contact with dust.

Electrocution

Risk Level Medium

Control Measures Avoid body contact with earthed or grounded surfaces such as pipes, radiators, ranges and refrigerators.

Burn hazard

Risk Level Medium/Low

Control Measures Wear protective clothing during operation. Avoid contact with hot components. Never operate the engine with heat shields removed.

Control Measures Keep body parts, hair and loose clothing clear of moving parts. Do not remove guards or covers.

KEY OPERATING INSTRUCTIONS

**Please refer to the User Guide and Operators Manual
for detailed Operating Instructions**

The safety information contained in this assessment is general information only and should not be relied upon as a substitute for professional advice or tuition, which the hirer should seek before operating.
