

OUR HIRE RATES

The minimum hire period is half a day

Rates are based on the maximum allowed **usage time**

(over a set hire period) and do not include fuel

Half Day Rates = a max of **4 hours** usage

Half day period will (where applicable) include additional time in excess of the 4 hours time period to allow travel to and from work site

Day Rates = a max of **8 hours** usage

Day rates may include an actual hire period of up to 24 hours, dependent on demand/availability, however the maximum usage of 8 hours will still apply.

Week rates are based on **5 working days**

(up to a max of **8 hours** usage per day)

Week hire can, in some cases, be extended to 7 days (e.g. over weekends), but will include an off-hire period of 2 days (16 hours usage).

Specials & Long Term Rates

Please ask our staff for maximum usage times (which may differ from actual hire period)

Additional costs of part/full day will apply for any usage over the permitted maximum usage time permitted for the hire period
